Hi, we are team {x} working on {x}

Our Team

Introduce yourselves

Our Project

Showcase your project

Rails Girls Summer of Code is a scholarship program that enables women to work on Open Source projects

This year

20 teams
40 students
21 project mentors
16 supervisors
and: a lot of coaches!

Rails Girls
Summer of Code

… all around the world!

Rails Girls
Summer of Code

Some of the projects

- Tessel
- Servo
- NextCloud
- Babel.js
- Processing/p5.js
- ifme
- Discourse
- diaspora*
